WARRANTY - All Tuff Grade branded products are guaranteed against defects in workmanship and materials. All hand tools and air tools have a lifetime replacement warranty on defective products when the tool is used for the purpose for which it was designed. Any Tuff Grade product that fails within the specified warranty period will be repaired or replaced, at the distributors discretion, at no charge to the end-user. All warranties are void if there is evidence of misuse, abuse or alteration of the product in any way. Incidental or consequential damages are excluded from this warranty.

WARRANTY PROCEDURE - Tuff Grade products being submitted for a warranty claim should be returned to place of purchase with proof of purchase and an explanation of the defect.
